MUSTAFA RAZA

Software Engineering Student | Junior Software Developer

0310-8098658 | mustafarazafareed24@gmail.com | Karachi, Pakistan

PROFILE

I am a 16-year-old student currently studying Software Engineering. I am interested in software and web development and enjoy learning new technologies, building practical projects, and improving my technical skills. I am hardworking, a quick learner, and looking for an opportunity to gain practical experience in software development.

EDUCATION

Software Engineering Course — Currently Studying

Benchmark School System — School Education (2012–2026)

TECHNICAL SKILLS

Web Development	Front-end Development
HTML / CSS	JavaScript
React.js	Bootstrap
